

## **Chromatography**

Gas Chromatograph / Mass Spectrometer (Hewlett Packard 5973/6890, '98)

High-Performance Liquid Chromatography

Varian 210 with UV-Vis. Detector and fraction collector ('98)

Shimadzu with Autosampler, Column Oven, UV-Vis. Detector, and Fraction Collector  
(07)

Liquid Chromatography

ISCO with fraction collector ('95)

Teledyne Flash Chromatography, Fraction Collector, UV-Vis. Detector ('08)

Gas Chromatography/Ion-Mobility Spectrometer (Barringer GC-Ionscan '01)
